Live Music for Little Ones

**PARTY PACKAGES  
AND PRICES**

A Boppin' Bunnies party is an Interactive Music Session for all the children and adults together. It is an activity that is suited for all the family, young & old, and we ask everyone to join in together.

Your Boppin' Bunnies teacher will bring a variety of real instruments for everyone to play during the session and will also perform live on their own instrument during the party.

**A Boppin' Bunnies party is a brilliant way to bring a touch of musical magic your little one's special day. Play instruments together, sing, dance and listen to your musician perform. Boppin' Bunnies is a musical experience that brings together all the generations of the family.**

Wrapped musical instruments gifts instead of party bags? We can create for you a 'present lucky dip' game for the children before they go home. This includes a lovely instrument gift per child, all wrapped for them – we would bring our special lucky dip bag full of shredded paper with it all ready to go!

*"Alex loves his weekly Boppin' Bunnies class and so when it came to planning a party for his 1st birthday, we thought it might be a good idea to ask Anna. It turned out to be a brilliant idea! All of the kids, ranging in age from 6 months to 4 years, loved the singing, the instruments and the dancing around. The parents all joined in and it was great fun for everyone. I'd definitely recommend a Boppin' Bunnies party!"*

*"A huge thank you to Boppin' Bunnies for making Alfie's first birthday such a huge hit!"*

*The party, for little ones aged 3 months upwards, was great fun and all of the kids and adults had a fabulous time singing & playing instruments. It was a lovely atmosphere and it made a special day, extra special and certainly one we won't forget."*

*"What a truly marvellous party! Thanks so much for arranging. The Boppin' Bunnies teacher was wonderful, I'm so glad she was there to bring some order to what could have been an afternoon of absolute chaos! There were a few different age groups but Freya got everyone involved and participating. Our daughter Daisy absolutely LOVED it!! She danced, banged her sticks with gusto, laughed and laughed under the parachute and couldn't stop smiling when we did the flying saucer peek-a-boo song. It was so lovely to see her so happy."*
